## **Preamble**

The Promotion of Access to Information Act No. 2 of 2000, ("the Act") came into operation on 23 November 2001. Section 51 of this Act requires that we as a private body compile a manual giving information to the public regarding the procedure to be followed in requesting information from us for the purpose of exercising or protecting rights.

## **Introduction to this private body**

De La Porte Property Group, founded in 1998 by Jonty de la Porte, is a niche industrial and commercial property services company, operating in the greater Cape Peninsula, South Africa.

De La Porte Property Group (DLP) has provided property broking and consultancy services to a number of South Africa's major financial institutions as well as corporate and private individuals.

The company prides itself on its service levels and its knowledge of the local property market, 'Property is the business of local knowledge' and its relations with the significant role players.

We as a private body have compiled this manual, not only to comply with the provisions of the Act, but also to foster a culture of transparency and accountability in our environment and to ensure that members of the public have effective access to information in our possession which will assist them in the exercise and protection of their rights.

Inside these pages you will be able to view the categories of information which we possess. You will also be shown the correct procedure to follow should you require access to any of this information.

A copy of this manual is also available on our website [www.delaporte.co.za](http://www.delaporte.co.za).
